Anthem!

அன்ன சத்திரம் ஆயிரம் வைத்தல்,
ஆலயம் பதினாயிரம் நாட்டல்,
பின்னருள்ள தருமங்கள் யாவும்,
பெயர் விளங்கி ஒளிர நிறுத்தல்.
அன்னயாவினும் புண்ணியம் கோடி,
ஆங்கோர் ஏழைக்கு எழுத்தறிவித்தல்.

Gist is, good deeds like building a thousand free meal centers, raising thousands of temples etc, are all done to make a name for oneself. A million times more noble is to educate the poor.

These verses from the great Tamizh poet Subramanya Bharathi adorned our first newsletter, way back in 2015. It's so evocative of what we do, it's apt to adopt it to be our anthem!

Spreading wings

As all are aware, CEG93, CEG2000 and the north American alumni association, CEGAANA, are already sponsoring candidates through KF. From this year CEG91 too have joined forces with us. Welcome to the fold.

If that's not confirmation enough of KF's growing stature, this year we have 4 corporates contributing their CSR funds to us:

1. **Gokaldas Exports Ltd**
2. **Opcore Services Ltd (Blackstone India affiliate)**
3. **Great Eastern Shipping India Ltd**
4. **Madras Engineering Industries Pvt Ltd**

On behalf of KF scholars, thank you all.

This growing number of stakeholders is driving us to put more robust systems in place. Can't help wondering if we are at the cusp of growing into something larger than we imagined 6 years ago

Bearing fruits

Yes, KF is 6 years old now. Long enough to see the seeds we sowed bloom into trees and bear fruit. Of the 9 KF scholars who have finished college, 7 have already found gainful employment:

	Name	Year of Graduation	Branch	Employer
1	Arunkumar	2018	Manuf.	Ninjacart

Current final year KF scholars, who are already placed:

1	Amose Akwin	Industrial	Cognizant

28 scholars this year

In 2015, we set out with a target of supporting 60 scholars in all by the time we turn 70 (60 by 70). Thanks to Rajkumar and Gautaman's tireless efforts, this year we have added 28 more gritty children to our list of scholars.

Feedback to warm our hearts

“

I am V. Abirami studying material science and engineering course in CEG with the helps of CEG 1990 KF. My father deserted me when I was so young. Till my 10th standard my mom struggled. A lot for giving me a very good education in a private school.

My life turned upside down when my was listed positive for cancer, I managed to complete my schoolings in a government aided school. But I was sure that I can't study in college because already my family wants to pay 6 lakhs debt.

Here the CEG 1990 KF came to the aid. They helped me by paying my college fees not only that after. Attending the CEG KF program which was held on 14/11/2021 gave me a secured feeling. Now I am sure that I could show my best in the CEG college. And I will also many poor students. A lot of thanks. To all CEG KF members. They not only gave me a new chance, but gave me a new life.

A special thanks to Mr. Gowtham sir and Mr. Nedunchezian sir for identifying me. I promise that I will make proud of my graduation in my education. ”

First of all, I am very thankful for being selected for CEG 1990 KF scholarship. The program that held on Sunday (14 /11/2021) was very useful and interactive. It gives me hope to be good in my career. Through this program, I came to know that all the members of KF are very down to earth and supportive,

Their gave us strength and confidence I am always owe to all of them. And issue of free laptop to everyone of us is a great surprise to me and I am saying thank you for all of them from the bottom of my heart for that. So finally, I am happy to be a part of AACEG 1990 KF for pushing my upcoming 4 years.

I need to thank Gowthaman sir especially for supporting me and clearing all my doubts. ”
