Gist is, good deeds like building a thousand free meal centers, raising thousands of temples etc, are all done to make a name for oneself. A million times more noble is to educate the poor.

These verses from the great Tamizh poet Subramanya Bharathi adorned our first newsletter, way back in 2015. It's so evocative of what we do, we have adopted as our anthem!

### Kudos from our sponsor, Great Eastern CSR Foundation

Great Eastern CSR Foundation (GECSRF), the corporate social responsibility arm of The Great Eastern Shipping Co. Limited and Greatship (India) Limited have been a proud partner of AACEG scholarship program since 2020.

On 13<sup>th</sup> November 2022, GECSRF team comprising Mr. Unnikrishnan T. S. and Ms. Swarnima Tamang visited the CEG campus to participate in the induction event for the new batch of students receiving the AACEG scholarship. For the GES team, the visit was a wonderful and powerful experience on many counts – the humility and dedication of the AACEG members, the stories of struggles; survival and success of the students, the confidence and pride with which the donors are associating with this event.

It was also rewarding to note that the scholarship is not limited to financial assistance and additionally enables the students to get adapted to the campus life and academic rigors via support such as mentoring, provision of laptop, internet access, spoken English training, etc.

We at GECSRF/Great Eastern Group are delighted with our partnership with AACEG and look forward to a rewarding, long term association.

**Hello all,**

End of another inspiring year for the Knowledge Foundation and the beginning of another. A new initiative this year was to have an event to felicitate the batch of students who graduated this year. It was another heart-warming event where the graduating students (also a few who graduated earlier) expressed their gratitude to KF and its sponsors.

Another impactful initiative: we have arranged medical insurance for all current KF scholars. This will cover both outpatient and inpatient services availed for the four years they are under KF's wings. Much thanks to Mathew for this.

We will be having our next induction event sometime in Aug/Sept. We'll inform well in advance. Do plan your schedule to attend it in person. Having participated in most KF events, I can guarantee that it is an event worth its time in gold. Cannot be expressed in words.

Best wishes,  
K Manokaran
