KF wishes all alumni, donors, and CSR Contributors a happy, healthy, and prosperous New Year

President's Message

Dear Members,

I am delighted to convey the fantastic news and extend my sincere appreciation for the outstanding outcome of our recent gathering, which took place at the Vivekananda Auditorium of the College of Engineering, Guindy, on September 24, 2023. The purpose of the gathering was to formally induct 65 new beneficiaries for the 2023-24 academic year.

Knowledge Foundation has consistently prioritized effecting favourable impact on student's lives, and the tremendous turnout for the occasion is a testament to our Society's collective enthusiasm and perseverance. Our commitment to making a positive impact on the lives of students has always been at the heart of our organization, and the overwhelming response to our charity event reflects our shared passion and dedication.

The generosity displayed by our members was genuinely heartening. By coming together, we exceeded the annual objective for student induction, showcasing the power of our shared values as a unit. Additionally, funds contributed by corporate institutions and fellow CEG alums directly assist in increasing student intake. Thanks to their generosity, we have been able to positively impact a more significant number of beneficiaries and their families.

The meet served as a powerful platform to showcase Knowledge Foundation efforts and connect with like-minded individuals and organizations who share our vision for education. Building these connections amplifies our impact and allows future collaborations to create positive change.

It was heartening that the parents of the beneficiaries had thanked Knowledge Foundation for financing their children's education during the event. The parents emphasized that these types of benevolent deeds affect families profoundly, enabling children to access education that would have been prohibitively expensive due to their economic circumstances. The parents' expression of gratitude not only signifies their regard for the monetary aid provided by Knowledge Foundation but also acknowledges its constructive impact on their children's lives.

Additionally, we had the honour of hearing motivational anecdotes from former and current beneficiaries whose lives have been profoundly altered by our assistance. These stories are a powerful reminder of the tangible difference we can make when we come together with a shared purpose.

I would like to express my profound appreciation to Rajkumar, Gautaman, and all the other members who made invaluable contributions to the success of this event.

Looking ahead, our commitment to education remains unwavering. We will continue to explore new avenues and partnerships to expand our impact and make a lasting difference in students' lives.

Once more, many thanks to the members for your extraordinary support. We are collectively shaping a more promising and brighter future for future generations.

Yours sincerely,
Janardhan N

Intake 2023-24

This academic Year we inducted 65 First year Students.
[Boys: 30/65 Girls: 35/65 Single Parent's children: 31/65
First Graduates: 37/65]

Appreciation letters from Other Batches

From CEG 1991 Batch

Partnering to make a difference

The 1991 batch is unique for a variety of reasons. For starters, the batch had its own email server for its alumni in the early 90s and made it a point to meet every five years to keep the bond strong, even if the meetups were not that big. However, for a batch that gave the complete caution deposit to become members of Alumni Association en masse, it was not until 2020 that it came together to have a charitable giving program back to its Alma Mater.

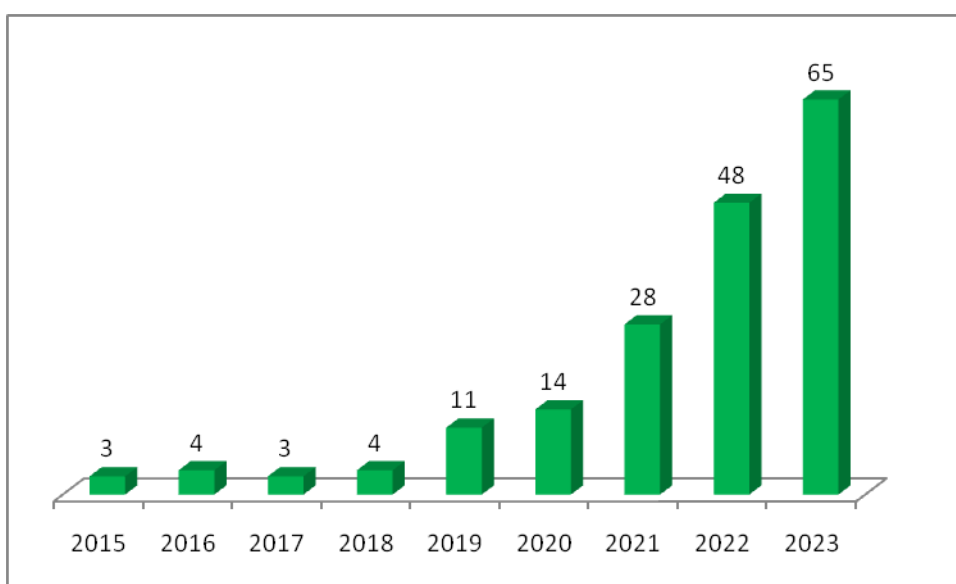

Looking up to its seniors' Knowledge Foundation for inspiration and guidance, the 1991 batch resolved to fund at least 60 students by the time they turned 60 years old. Thanks to the robust global linkages, local connections and willing batchmates, the 1991 batch has funded 41 needy CEG students thus far in partnership with the Knowledge Foundation. With 60 firmly in sight, the batch may soon aspire to fund more students and contribute to other development aspects over the coming years.

From CEG 1993 Batch

On behalf of CEG 93 Batch we are delighted to support KF in their mission to support deserving students from economically challenged backgrounds. Along with CEGAANA (CEG Alumni Association of North America) our batch is currently supporting 2 students per year and has totally covered 8 students till date. Our first batch of sponsored students have graduated and also successful in obtaining placements. CEG 93 batch has helped in getting internship for few students and also contribute through continuous mentoring of students.

Special thanks to Sangeetha R (ECE 93) & Ramesh (CSE 93) for their continued support.

KF Students Intake over the years

Feedback from Students

From poor background to getting scholarship is very helpful for me and my family they can get relief from the burden of paying fees and getting me a laptop thank you so much for considering our family situation and giving the scholarship I want to thank you sir and also the whole alumni association for made this possible thank you very much **Chinmayi** - I Year Student

I am **7 Dharini** from Karur. My father passed away when I was one year Old. From then my mother went through a lot of troubles and sufferings too bring me up. Finance was the major issue we faced. Our relatives did not help us at crucial times. She boldly faced the problems by herself. My only aim in Life is to lead a happy life with her. This Scholarship was a God's gift to us. It solved our major problem of financing. I am deeply grateful for this huge support and Help.

I am T.Dharini from Karur. My father passed away when I was one year old. From then my mother went through a lot of troubles and sufferings to bring me up. Finance was the major issue we faced. Our relatives didn't help us at crucial times. She boldly faced the problems by herself. My only aim in life is to lead a happy life with her. This scholarship was a god's gift to us. It solved our major problem of financing. I'm deeply feel grateful for this huge support and help.

I am Jeera Prasad v u coming from Avadi, Thiruvallur district and currently pursuing my degree in Mechanical Engineering. I am the first graduate of the family. I have a younger brother currently in his 7th class and my mother is a taylor. My father passed away in 2020 when I was in 10th std. My mother with her earning only take care of the family.

I obviously grateful and blessed to be a member in Knowledge Foundation Family. By this scholarship, I got benefited in many ways since I got a laptop and by paying the whole college fees for the total four years, it gave a huge relief for my mother. Hence Thank you for the Alumni Association of CEG for having a wonderful program for the benefit of the students who are struggling to pay the fees

KF Third Year Student Abirami got Summer Internship in Canada University

Third year student Abirami from Material Science Branch got 3 months internship offer in MITACS. She Applied to this program in August 2023 and got the offer letter in December 2023.

Internship Details

Faculty supervisor : Prof. Michael Fleischauer

Host university : University of Alberta

Place : Alberta (Canada)

Period : 3 months

Project Title : Operando characterization of lithium ion battery materials

Summer Internship / Internship Requirements for our KF Students

Dear CEG Alumni,

If you have good influence in your company/office, kindly arrange 1/2/6 months internship for our sponsored Second, Third and Final year students in all branches in the areas/branches of Civil, Mechanical, Electrical, Electronics, Telecom, Software and IT. If your are willing to help please contact Suriyanarayanan Ramamurthy (Email Id:rsuriya1@yahoo.com) or Gautaman (Email : pgautaman@gmail.com).

Helping Hand Needed as Volunteer for KF Students

Dear CEG Alumni, if you are interested in volunteering work (Online and Offline) please contact Gautaman @ +91 98400 71629 for more information.

Dear NRI Alumni, If you are planning to visit Chennai, allocate half day in Saturday/Sunday to interact and share your knowledge to our KF Students. For coordination inform Gautaman through email pgautaman@gmail.com well in advance for the coordination with students.

Dear CEG Alumni, Join hands with Knowledge Foundation to brighten the life of most privileged CEG students.

For contributions from India, kindly transfer to:

Account Name : ALUMNI ASSOCIATION OF CEG 1990
Account No : 332502010093008
Bank : UNION BANK OF INDIA
IFSC Code : UBIN0533254
Branch : Mount Road, Chennai

**As per new IT Rule, donors should provide the PAN, Mobile No, and Address Details.
After transfer, kindly send your Name, PAN No, Mobile No and Address to pgautaman@gmail.com to avail the 80G Exemption during your IT Filing.**

For NRI Alumni, transfer to the following FCRA Account

Name of the account : ALUMNI ASSOCIATION OF CEG 1990
Banker's name : STATE BANK OF INDIA, NEW DELHI MAIN BRANCH
Account no. : 40119655195
Account type : FCRA CURRENT ACCOUNT
SWIFT : SBININBB104
IFSC : SBIN0000691

After transfer, kindly send your Name, Mobile No and Batch details to mookiahraj कुमार@yahoo.com
